

**FOR IMMEDIATE RELEASE**

**HABITAT FOR HUMANITY HALTON-MISSISSAUGA-DUFFERIN CELEBRATES NEW HOMES FOR FIRST-TIME BLACK HOMEOWNERS AT KINDRED AT DANIELS ERIN MILLS IN MISSISSAUGA**

**Mississauga, ON** — February 25, 2026 — Habitat for Humanity Halton-Mississauga-Dufferin (HMD) marked a powerful step toward inclusive homeownership with a key ceremony at Kindred Condominiums at Daniels Erin Mills in Mississauga. Through Habitat HMD's affordable homeownership program, these homes are supporting first-time Black homeowners, helping to remove barriers and expand access to safe, affordable housing.

Located at Erin Mills Parkway and Eglinton Avenue in Mississauga, Kindred at Daniels Erin Mills is a thoughtfully designed, master-planned community that fosters connection through shared spaces, abundant amenities and inviting outdoor areas. Generously supported by The Daniels Corporation, this vibrant condominium community is built around the idea of belonging and neighbourly connection.

"At The Daniels Corporation, we believe that a home is the foundation for stability, opportunity, and belonging. Our partnership with Habitat for Humanity Halton-Mississauga-Dufferin reflects our commitment to advancing equitable and inclusive access to homeownership. We are thrilled to welcome three new families to Kindred at Daniels Erin Mills and to our broader Daniels community of homeowners. Today's key ceremony is a testament to what can be achieved when partners across sectors unite around a shared vision of building inclusive, connected communities where every family has the opportunity to thrive. We extend our gratitude to all partners involved, and we look forward to seeing these families put down roots and create lasting memories in their new homes."

**Heela Omarkhail, Vice-President, Strategic Initiatives and Partnerships, The Daniels Corporation**

Among the families who received keys at the ceremony were three single-parent households, each led by a parent working to build a stable future for their children—one with a 14-year-old daughter, one with a 13-year-old son, and one with a five-year-old daughter and eight-year-old son.

For keyholder Nathalia, the dream of having an affordable home of her own always felt just out of reach. She did everything she could to give her 13-year-old son a good life—working full-time, saving where she could, and moving whenever rent hikes made it impossible to stay. Now, she has a home at Kindred at Daniels Erin Mills.

*“I cried when I found out. I’ve been saving and planning for so long. It means stability. We finally have a place that’s ours — somewhere my son can be loud, play his music, and just be himself. He’s already talking about hanging his posters and playing basketball every day.”*

“Kindred at Daniels Erin Mills in Mississauga represents what’s possible when we come together to expand access to affordable homeownership. At Habitat for Humanity Halton-Mississauga-Dufferin, we bring people together to build communities and hope — and for these families, that hope now has an address.

We are deeply grateful to The Daniels Corporation for their partnership in helping Black families in our community achieve safe, affordable housing. When families have a stable place to call home, opportunity and possibility truly begin.”

**Quote from Eden Grodzinski, CEO, Habitat for Humanity Halton-Mississauga-Dufferin**

### **About Habitat for Humanity Halton-Mississauga-Dufferin**

Guided by the vision of a world where everyone has a safe and decent place to live, [Habitat for Humanity Halton-Mississauga-Dufferin](#) (Habitat HMD)’s purpose is simple: Together, we build a better future for working families through affordable housing.

Since 1999, Habitat HMD has brought together families, volunteers, donors, developers, and community leaders to create safe, affordable homes and a pathway to homeownership. What began as a grassroots volunteer initiative in Burlington has grown to serve communities across the Region of Halton, the City of Mississauga, and Dufferin County. To date, Habitat HMD has opened the doors to 100 homes for local families and Indigenous communities, provided skilled construction training to more than 2,400 youth, and currently supports 161 people living in 56 housing units across the region.

### **About The Daniels Corporation (Daniels)**

[The Daniels Corporation](#), named the 2025 BILD Home Builder of the Year, is one of Canada’s preeminent builders and developers, with nearly 40,000 new homes built across the Greater Toronto Area for over 40 years. Daniels is the developer of TIFF Lightbox in Toronto’s Entertainment District and the City of the Arts community on Toronto’s East Bayfront. Among its many initiatives, Daniels partnered with Toronto Community Housing to revitalize 53 of the 69-acre Regent Park community in Toronto — now home to the World Urban Pavilion, a collaboration between the Urban Economy Forum, UN-Habitat, Canada Mortgage and Housing Corporation, and Daniels. Recognized for its leadership, professionalism, and commitment to design excellence, construction quality, and customer care, Daniels goes beyond building homes. With a deep understanding that quality of life is created by more than physical structures, it integrates building excellence with opportunities for social, cultural, and economic well-being.
